## IMMERSE YOURSELF IN THE ENERGY OF SPLIT

AC Hotels believes that purposeful design improves our lives. Our AC Hotel Split is guided by the philosophy that everything should have a “why.” We carefully curate the things that you need and edit out what you don’t. By stripping away the superfluous, we uncover beauty in the essentials.

We are for the discerning, who prefer to have fewer things but expect them to be better than good. In our view, attention to detail is the greatest form of generosity we can offer our guests. Whether it’s the artful pour of a drink or the elegant line of a chaise. AC Hotel Split believes that if we have time to make it, we have time to make it beautiful.
